Couple of quick updates for this week:

Door Signs, Bumper Stickers and "Calling Cards" -- The 66 Alliance car door magnets, bumper stickers and "calling cards" -- all shown below -- have arrived and I'm busy mailing them out to the Alliance members that have requested them. I have a feeling I will run out of all of them pretty quickly, so if you want to order one or some of each, please let me know so I'll do an accurate re-order. Also, our bank account is running low and these items cost money, so if you haven't made a contribution to the Alliance in the last couple of months, please consider doing so today.

Again, if you haven't asked for a magnet, stickers or cards yet, please send me an e-mail with your request (how many of each) and your mailing address and I'll do my best to get them out to you this week.

SAVE CLEAN FUEL VEHICLES ON 66!

On January 1, 2017, VDOT will kill the Clean Fuel Vehicle Program on Interstate 66. No more use of the HOV lanes during rush hour in your gasoline/electric hybrid or all-electric vehicle. If you want to help prevent this from happening, join the 66 Alliance and get involved.

Meeting with Senator Black (R-Loudoun) -- We have a meeting scheduled with Senator Richard Black, who represents much of Loudoun County in the Virginia Senate, on 6/15/16 at 1 p.m. at his home office in Ashburn. However, at this point, I have no volunteer Loudoun County members to join me in the meeting. If you can join me, please let me know ASAP. If no one steps up, I'll likely reschedule the meeting for another time -- it doesn't make a good political showing to say a group represents hundreds of voters and then only a Fauquier County resident shows up! Thanks for checking your calendars.

Give if You Can -- Please consider making a contribution to the Alliance today -- the magnets, bumper stickers and other expenses of keeping the Alliance going and growing our membership all cost money! Please go to www.66alliance.org/support-66-alliance/ today to make a contribution via PayPal.

Many thanks to all and have a great week! Greg
