## 66 Alliance Members --

I need your help with a couple of meetings with influential state legislators early next week. It is important that at least a couple of constituents (voters) from these senators' districts attend these meetings. I know it means going in late to work each day (and maybe missing the HOV window on 66!!!), but we need to do this collectively or we won't accomplish much. If you can attend either of these meetings, please let me know ASAP! Many thanks! Greg

- **Senator Dave Marsden (D-Fairfax)** -- Senator Marsden, who represents an odd-shaped [district](#) in Fairfax County that runs from Gainesville to Springfield, has offered the Alliance a meeting on Monday, June 27, 2016 at 9 a.m. in Fairfax (close to corner of Braddock and Rolling Roads).
- **Senator Barbara Favola (D-Arlington/Fairfax)** -- Senator Favola, who represents most of Arlington County and portions of Fairfax County along the Potomac (see [district](#) map), says that she "created" the CFV program two decades ago and wants to defend it! She wants to meet with Alliance members at her Arlington office (her home's dining room) on Tuesday, June 28, 2016 at 9:45 a.m.

**Alliance Support!** -- Many thanks to the following Alliance members for making financial contributions to the Alliance over the past couple of weeks: Karen Thornton, Janice Green, Ward Ponn, Tim Lewis, Juan Archilla and Robin Gardner. A special thanks to Jeff Eagle, who joined James Mitchell in setting up a monthly contribution to the Alliance! You guys/gals rock!!

Ordering the second batch of car door magnets has drained the Alliance's piggy bank. Please consider making a contribution to the Alliance today -- the magnets, bumper stickers and other expenses of keeping the Alliance going and growing our membership all cost money! Please go to [www.66alliance.org/support-66-alliance/](http://www.66alliance.org/support-66-alliance/) today to make a contribution via PayPal.
