Good afternoon, 66 Alliance Members!

Not a great deal to report since the last mid-week Weekly Report, other than I know for a fact that VDOT is contacting each Northern Virginia Delegate to urge them to stay off the Anderson/Murphy House of Delegates letter.

We need to find out who these elected legislators will listen to on this topic -- Richmond bureaucrats, or commuters who live and vote in Northern Virginia!

So, if you haven't sent an e-mail to the legislator who represents you in the Virginia House of Delegates, please do it right now. This evening, not tomorrow.

I'm going to put a full court press on the Delegates in the coming week in an attempt to add additional signatories to the letter. I'd like to put the letter "to bed" by the end of the week, but we need more Delegates to sign on. And your e-mails are the primary way we can gain ground with these Delegates.

Joint, Bi-Partisan Letter from House of Delegates

As of this morning, the following members of the House of Delegates have agreed to sign the bi-partisan, joint letter being led by Delegates Rich Anderson (R-Woodbridge) and Kathleen Murphy (D-Fairfax/Loudoun). Unfortunately, this list hasn't changed since the last newsletter.

If you don't see your Delegate's name on this list, then you have work to do!

- **Boysko**
- **Hugo**
- **Marshall**
- **Plum**

- **Webert**

I heard specifically (and personally) from Delegate Kaye Kory that she would like to hear from Falls Church constituents on this issue -- her e-mail address is: delkkory@house.virginia.gov. If you live in Falls Church, please reach out to Delegate Kory and let her know this is an important issue for you.

Again, if your Delegate is not on the list above, please take time today to urge your Delegate to join with their 7 colleagues on the bi-partisan House letter. To find out who your Delegate is and his or her e-mail address, click on the following link -- [Who's my legislator?](#) -- type in your home address and then click on your House of Delegates representative's e-mail icon. This should give result in an e-mail to your Delegate popping up and you can fill in some version of the following message:

"Subject: Opposition to Sunset of CFV Program on 66

Dear Delegate _____:

I am a commuter on I-66, as well as a voter and one of your constituents. I also am a member of the 66 Alliance. I strongly urge you to join with Delegates Anderson and Murphy in signing a letter to Governor McAuliffe that urges him to maintain the I-66 Clean Fuel Vehicle (CFV) program. A bi-partisan group of Senators recently urged the governor to take the same action, and it is now the turn of the Northern Virginia members of the House of Delegates to go on record with the governor on this important issue. In advance, thank you for your attention to this request.

Sincerely, (Your name and address)"

Thanks to Sue Zoldak and Larry Cain for making financial contributions to the Alliance over this week. Their contributions, and yours if you decide to make one, keeps the Alliance's "back office" humming along, keeps our website and Facebook page running, and helps to offset some of my out of pocket expenses as I head to Alliance meetings. If you want to support the Alliance financially, please go to our [website](#) and click on the "Support the Alliance" button.

Thanks to all 66 Alliance members for their active involvement and efforts. Please send an e-mail to your Delegate today if you have not already done so! Greg
